

**RESOLUTION NO. 2007-10**

**A RESOLUTION OF THE CITY OF BASEHOR, KANSAS, OPPOSING THE WATER RATE INCREASE PROPOSED BY SUBURBAN WATER COMPANY.**

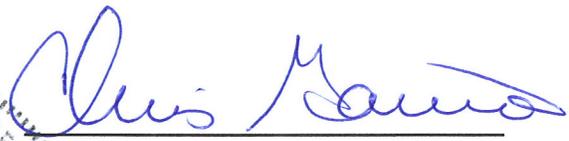

**BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF BASEHOR, KANSAS:**

**SECTION 1.** The Governing Body of the City of Basehor, Kansas, hereby finds that a request for a 37.3% water rate increase by Suburban Water Company, Inc. is excessive and unwarranted.

The Governing Body further finds that the current Suburban water rate of \$52.41 per 8,000 gallons is one of the highest in the surrounding area, the average being closer to \$30.00 per 8,000 gallons. The proposed increase would bring the average monthly customer bill to \$71.31 and is therefore undesirable and not in the best interest of the public.

**SECTION 2.** The City of Basehor, Kansas, hereby respectfully requests that the Kansas Corporation Commission deny the proposed rate increase.

**ADOPTED AND APPROVED** by the Governing Body of the City of Basehor, Kansas, this 5<sup>th</sup> day of November, 2007.
