Staff Report

Date: March 24, 2014

Subject: Consider a short-form plat for the replat of Lot 5 and 6 of Parallel Park Subdivision, submitted by Charles Breuer on the following described property:

A replat of LOT 5 and LOT 6 of "PARALLEL PARK SUBDIVISION", a platted subdivision in the City of Basehor, Leavenworth County, Kansas as recorded in Book 13, Page 30, document number 00130030 and containing 3.7706 acres, more or less.

GENERAL INFORMATION

Applicant: Charles Breuer

Owner: Charles Breuer

Address: 20510 163rd Street
Basehor, KS 66007

SITE INFORMATION

Location: South of Parallel Lane and East of 147th Street.
Current Zoning: "I-1" Light Industrial District.

STAFF ANALYSIS

Background

The proposed plat joins Lot 5 and 6 of Parallel Park Subdivision to 1 lot consisting of 3.77 acres. Parallel Park Subdivision is part of the City's Industrial Park. The original plat was approved in July of 1997 and contains 6 lots. 2 of the 6 lots are developed. The purpose of the application is to relocate Westland Construction, Inc. to the City's industrial park.

A short-form plat procedure is within the subdivision regulations for the purpose and intent of providing a means of approving a subdivision of land that contains four (4) lots or less. Short-form plat shall serve as the final plat of the subdivision. The submission and approval of a preliminary plat is not required as a prerequisite for a short-form plat approval; provided, that the public hearing requirements outlined in preliminary plats are met.

Surrounding Property

The proposed replat abuts 147th Street and Parallel Lane. The current zoning is light industrial. An established "R-O" Suburban Residential District is located towards the west. An established "I-1" Light Industrial District is located towards the north, south, and east. The subject property is vacant.

**Agenda Item No. E1
Planning Commission – May 6, 2014**

Public Hearing: Consider a short-form plat for the replat of Lot 5 and 6 of Parallel Park Subdivision, submitted by Charles Breuer on the following described property:

A replat of LOT 5 and LOT 6 of “PARALLEL PARK SUBDIVISION”, a platted subdivision in the City of Basehor, Leavenworth County, Kansas as recorded in Book 13, Page 30, document number 00130030 and containing 3.7706 acres, more or less.

Narrative

A staff report and other supporting information is provided in the agenda packet.

Staff will be available for discussion at the meeting

The City Council may consider this item of June 2, 2014.

Staff Recommendation

Staff recommends approval of the final plat with the following conditions:

1. Certification by the County Treasurer showing that all due or unpaid taxes have been paid in full.
2. Revise the City Engineer’s Approval block to: The City Engineer’s plat review is only for general conformance with the subdivision regulations as adopted by the City of Basehor. The City is not responsible for the accuracy and adequacy of the design, dimensions, elevations, and quantities.

Adjacent Property

	<u>Zoning</u>	<u>Use</u>
North:	"I-1"	Light Industrial District
South:	"I-1"	Light Industrial District
East:	"I-1"	Light Industrial District
West:	"R-O"	Suburban Residential District

Traffic Impact

Access to the replat is along 147th Street and Parallel Lane. Westland Construction maintains 15 employees and averages 1 delivery to the site per week. Parallel Lane and 147th Street are existing improved city streets. The impact to 147th Street and Parallel Lane will be minimal.

Stormwater Management

The property slopes to the southeast. The replat adjusts an existing drainage easement thru the property to correctly align the existing stormwater crossing at Parallel Lane. A drainage easement is also proposed at the southeast corner of the replat for detention purposes.

Utilities

No new utilities will be proposed with the subject plat. As part of the replat, a 30' utility easement will be vacated. The 30' utility easement is between Lot 5 and 6 of the original plat. Staff has informed all utility companies with the proposal. All utility companies have reported that no utilities will have to be relocated with the proposed easement vacations and adjustments.

Transportation Excise Tax

Per the excise tax (Ord. 387), any replat of platted land, which does not increase the gross area of the property platted provided the original platting of the property was recorded prior to the effective date of this ordinance shall be exempt. Ord. 387 became effective on June of 2002. The original plat was approved on July of 1997. Transportation excise tax is exempt from this application.

Park Fees

Per the City's fee schedule, the park fee for non-residential lot is \$200 and is collected with the building permit.

Subdivision Regulation Requirements:

The items to be included on the final plat per the Subdivision Regulations requirements:

- 1. The lines and names of all proposed streets or other ways or easements, and other open spaces intended to be dedicated for public use or granted for use of inhabitants of the subdivision.** Provided within the submitted plat.
- 2. Lines and names of all adjoining streets within 200 feet.** This is shown within the submitted plat.
- 3. Metes and bounds describing the plat and the contents within the plat associated with any lots, easements, and tracts of lands. This information shall be represented in a way that any lot line can be located in the field.** This is provided within the submitted plat.

4. The location of all building setback lines. Per the zoning regulations, the required setbacks are:

- Front (Arterial Street) – 80’.
- Front (Local Street) – 60’.
- Side – 15’.
- Rear – 25’.

The zoning regulations states in areas with existing principle structures, the setback line need not be greater than that already existing by adjacent structures. 147th Street is considered to be an Arterial Street. The setback provided along 147th Street is 80’. Parallel Lane is considered to be a Local Street. The setback provided along Parallel Lane is 30’. Existing principle structures do exist along Parallel Lane with a distance of 30’ from the building to the right-of-way. Provided setbacks meet the zoning regulations for “I-1” Light Industrial District zoning.

- 5. Suitable primary control points.** This is provided within the submitted plat.
- 6. Location and elevation of a permanent benchmark.** This is provided within the submitted plat.
- 7. The location of all permanent monuments with the distances and bearings plainly marked.** This is provided within the submitted plat.
- 8. Date of preparation, title, north point, and scale shall be included with the plat.** This is provided within the submitted plat.
- 9. Error of Closure.** The perimeter of the plat is under 10,000 feet. Per the subdivision regulations the error allowed is 1 ft in 10,000 ft. The error of closure for the plat is 1 ft in 2,123,813 ft, which is adequate.
- 10. Identification system for all lots and blocks, and the area in square feet of each lot.** This is provided within the submitted plat.
- 11. Certification of the land surveyor preparing the plat, seal, and signature.** This is provided within the submitted plat.
- 12. Acknowledgement of a notary.** This is provided within the submitted plat.
- 13. A certification of the Planning Commission showing its approval of the plat.** This is provided within the submitted plat.
- 14. The approval of the City Council.** Action has not been taken.
- 15. The certificate of the Register of Deeds.** This is provided within the submitted plat.
- 16. The title insurance certification showing that the proposed sub divider owns all the property within the plat and that it is free from encumbrances and liens.** Ownership and encumbrance certificate has been provided. The applicant owns all the property within the plat. The property is free from encumbrances and liens.
- 17. Statement by the owner dedicating streets, rights-of-way, and sites for public use.** This is provided within the submitted plat.
- 18. Such other certificates, affidavits, endorsements, or dedication as may be required by the Planning Commission in the enforcement of these Regulations.** Action has not been taken by the Planning Commission.
- 19. Purpose for which sites, other than residential lots, are dedicated or reserved.** This is provided within the submitted plat.
- 20. Proper margins and lettering on the sheet that contains the plat.** Margins and lettering are properly shown within the submitted plat.

21. **Legal description of the subdivision.** The legal description was submitted with the plat.
22. **Public improvement plans associated with the final plat.** Not applicable.
23. **Certification of the person or person whose names are signed to this document and/or appear on the plat are the sole lawful owners of the property, that the plat is made with their desires, and that they dedicate the areas shown on the plat or as set forth in the document to the perpetual use and ownership of the public for the specific purposes stated therein or thereon. Ownership shall be verified by the City Clerk.** Ownership has been verified with an ownership certificate provided by the applicant.
24. **Certification by the County Treasurer showing that all due or unpaid taxes have been paid in full.** Applicant has yet to submit certification by the County showing that all due or unpaid taxes have been paid in full.
25. **Subdivision Improvements Agreement.** Not applicable.

Recommendation by Planning Staff

Staff recommends approval of the final plat with the following conditions:

1. Certification by the County Treasurer showing that all due or unpaid taxes have been paid in full.
2. Revise the City Engineer's Approval block to: The City Engineer's plat review is only for general conformance with the subdivision regulations as adopted by the City of Basehor. The City is not responsible for the accuracy and adequacy of the design, dimensions, elevations, and quantities.
