The City of Basehor

MEMO

Date: March 3, 2014

To: Governing Body

From: Lloyd Martley, Chief of Police/City Administrator

Ref: 2014-15 Property/Liability Insurance Renewal

The City's current property insurance will expire March 31, 2014. Reilly & Son's (underwriter EMC) will provide a renewal quote for the time frame of April 1, 2014 through March 31, 2015.

Premium History:	2011/12	2012/13	2013/14	2014/15
	\$44,652	\$47,194	\$54,197	???????

Last year's insurance premium increased by 14.83%. This was attributed to inflation, increased property values, litigation and added equipment. The Reilly Company has advised us that EMC is wanting to increase the limits at several of the locations, especially the lift stations, as they do not feel they are insured to the replacement cost of the building/structure. Increasing the limits along with inflation, increased property values, litigation and added equipment will more than likely increase the rates again this year. We will have the final numbers available for the regular meeting on March 17, 2014.

In the past the City engaged Lockton Companies, the world's largest, privately owned, independent insurance broker, to review the City's insurance coverage. Lockton verified the City was receiving thorough and sufficient coverage for a good value. Reilly & Son's/EMC continues to maintain very competitive rates and staff has been pleased with their customer support.

Staff will again recommend approving 2014/15 Property/Liability Insurance renewal.
