Madam Mayor and Fellow Councilmen,

As some of you know, I am working on a rather important case on the behalf of the Catholic Arch Bishop in Lawrence. This case has come to a head, and there is an extremely important hearing before the Lawrence Commission tonight inwhich I must attend.

I regret this since this will be my last full meeting as a Council Member, however, I might point out that I have attended virtually every Council Meeting for the past years.

It has been a pleasure to serve on and for the City Council even after my term.

Respectfully,

Bob Van Cleave
