Meeting was called to order at 7:15 p.m. by Mayor Landauer. All members present except Mark Grube.

(Hubbel present at 7:20, Grube present at 7:25)

Wayne Wolf presented to Council a preliminary budget for 1987 that had been worked up prior to the meeting.

There was a lengthy discussion as to what funds an annuity plan for employees would come from and if the budget needed to be increased for that purpose.

Novak asked if a fund could be set aside to pay for a city park. Grube stated that if we have to cut back on the level of services that we are currently providing - then we definitely do not need a city park and that the issue should be put for a vote to the citizens at next election.

Wayne Wolf stated that there was no need to set up a separate fund, just set aside in the general fund.

Wayne Wolf stated that the taxes can be lowered but not increased at the public hearing.

Council agreed that a Public Hearing would be heard on August 5 at 7:00 p.m. And that publication would be at least 10 days prior to the meeting (before July 21st).

M. Grube made motion to accept the preliminary budget a present by Wayne Wolf with no changes at this time. The motion was second by D. Hubbel. All Aye. Motion Carried. (5-0)
