2023 Mayor's Charity Fund Funding Opportunity

I was blessed to have hosted the 2nd Annual Mayor's Golf Tournament this September. Through the generosity of sponsorships, donations, and those who registered to play in the tournament – I have the ability to provide ongoing support here in Basehor.

I have been asked how these resources will be programmed and I'm pleased to share that it is my intention to distribute this money in the following ways.

- Holiday Gift Giving – I've been working with the Chief of Police and School Resource Officer to ensure students do not go without during the holiday season.
- I am doing a supplemental call for funding to organizations who serve our Basehor community. An application is attached and is similar to the Community Enrichment Application. Eligible organizations may apply for up to \$2,500.

Your organization may be eligible for some of these funds. Basic requirements for approval include:

- Non-Profit Organization
- Within the Basehor City limits (or a resource to Basehor residents)
- Benefit to the Basehor Community

If your organization qualifies and needs additional funding to ultimately benefit the Basehor Community, please complete the Donation Request Form by December 1, 2023, and return it to:

City of Basehor
Attn: Katherine Renn
2022 Mayor's Community Support Funding Opportunity
P.O. Box 406
Basehor, KS 66007

Once the application period closes, the applications will be reviewed and budgeted funds will be awarded accordingly. Your organization will be notified if they have been awarded funds.

Questions can be addressed to Katherine M. Renn at krenn@cityofbasehor.org, and by phone at 913-724-1370 or to me at ddrennon@cityofbasehor.org, and by phone at 913-416-0200.

Sincerely,

Dick Drennon
Mayor of Basehor
