CITY OF BASEHOR ANNOUNCES FULL-SERVICE FAREWAY GROCERY STORE

BASEHOR, Kansas – February 23, 2024 – The City of Basehor is proud to jointly announce alongside Fareway Stores, Inc. that they will soon be submitting an application for development of an appx. 21,000 square foot full-service Fareway Meat & Grocery store in Basehor.

Fareway Stores, Inc. is a growing Midwest grocery company currently operating 139 stores in a seven-state region. Fareway's mission is to provide the highest quality products, while treating customers like family, and valuing dedicated employees. Its stores are known for their unmatched, full-service meat departments, farm-fresh produce, and exceptional to-your-car customer service. Fareway is a family-owned business, recognized as a top 10 employer in Iowa, and has more than 12,000 total employees.

"We are excited to announce plans for a new, full-service location in Basehor," said Fareway CEO Reynolds W. Cramer. "We would like to thank local city officials for helping make this project possible, as we look forward to serving and becoming an integral part of the thriving Basehor community."

The City of Basehor elected officials and staff have been hard at work to bring this much needed business to the community. If approved, this will be the first Fareway Meat & Grocery Store in the state of Kansas.

"I am so proud of our City Administrator Leslee Rivarola and Deputy City Administrator Maddie Waldeck for their hard work in bringing such a quality grocery store to Basehor," said Mayor Dick Drennon. "As the Mayor, I hear a lot from the community about wanting a grocery store. I am so excited that Fareway Stores, Inc. has chosen Basehor. I would like to thank the City Council for creating an environment where businesses feel valued and want to locate. We are really lucky to have such dedicated elected officials on our City Council. It is truly a great time to be a Basehor resident."

MEDIA RELEASE

CITY OF BASEHOR ANNOUNCES FULL-SERVICE FAREWAY GROCERY STORE

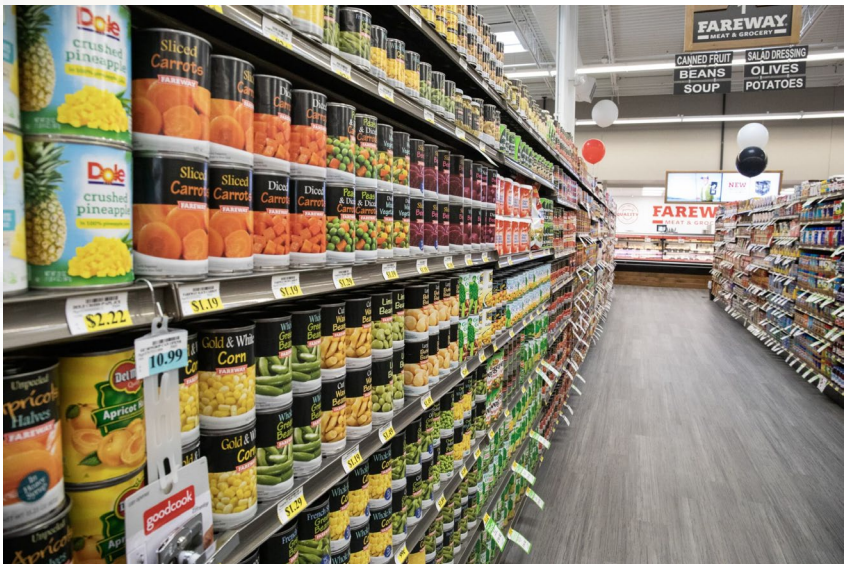

(Continued from Page 1)

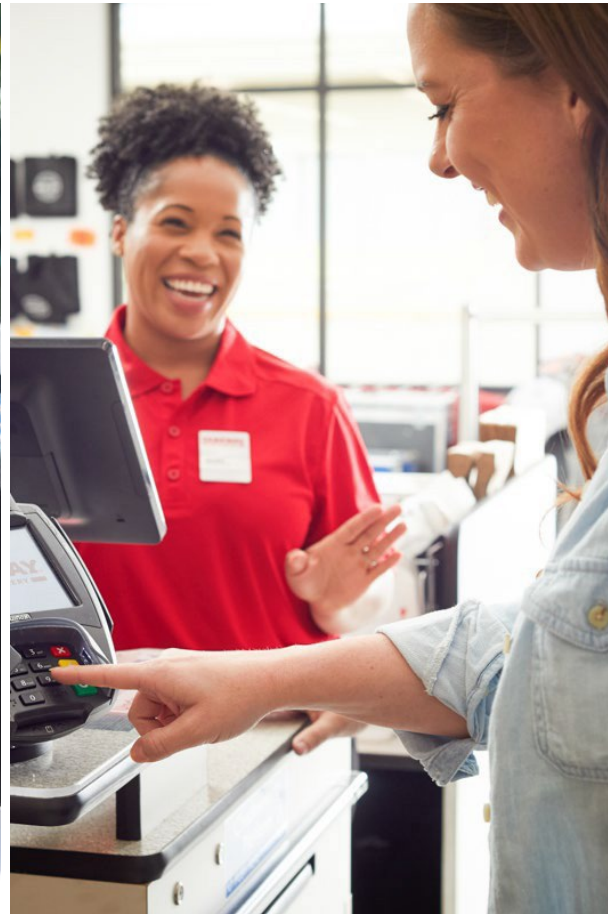

The proposed site location is at the northeast corner of 158th Street and State Avenue. Once the application is received, the City of Basehor will be releasing additional information. It is estimated that construction will begin in 2025. More details regarding the project will be announced throughout the application process. Included in this press release is a preliminary rendering.

The City of Basehor would like to thank Fareway Stores, Inc. and Mike Reilly for their commitment to bringing a quality grocery store to the community.

###

Fast Facts

- One of the **TOP 10** Employers in Iowa

U.S.D. 458 UPDATE

BLHS Geometry in Construction class has begun designing and building a playhouse for the Parade of Playhouses at Union Station this spring! They will deliver the completed house to Union Station on April 8, 2024. Special thanks to Pete St. Peter from PCDI homes and Larry Murphy from Murphy & Sons Roofing who are donating much of the materials and their time using their expertise to teach our students!

Two of our VEX Robotics teams qualified for the WORLDS competition last Saturday!

They will go to Dallas in April to compete in the annual event that brings together top VEX IQ Robotics Competition, VEX Robotics Competition, and VEX U teams from around the globe to celebrate their accomplishments and participate in the 2023-2024 games to be crowned champions!

INVESTING IN THE FUTURE

The City of Basehor works closely with U.S.D. 458 students including covering how elections work, hosting tours at City Hall, explaining how students can be good community members, learning about how taxes and local government work, and so much more!

BASEHOR COMMUNITY LIBRARY

Highlights from the 2023 Year

- The Basehor Community continues to rebound from the decrease experienced during Covid pandemic
- The service population increased from 12,209 to 12,631
- Library card registrations increased by 8% for 2023
- 5,740 library patrons participated in the 29 “passive programming” activities hosted by the library. This was an increase of 68% from 2022. These “passive programming” activities included:
 - Summer and winter reading challenges
 - Scavenger hunts
 - Take-home crafts

Pre - K Programs

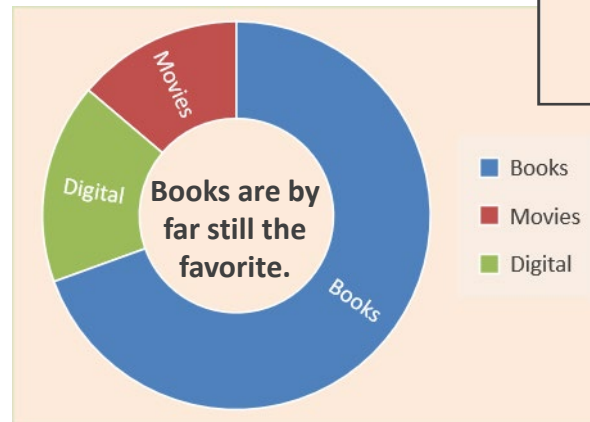

- 452 programs provided
- Attended by 7,700 children and adults

K - 12 Programs

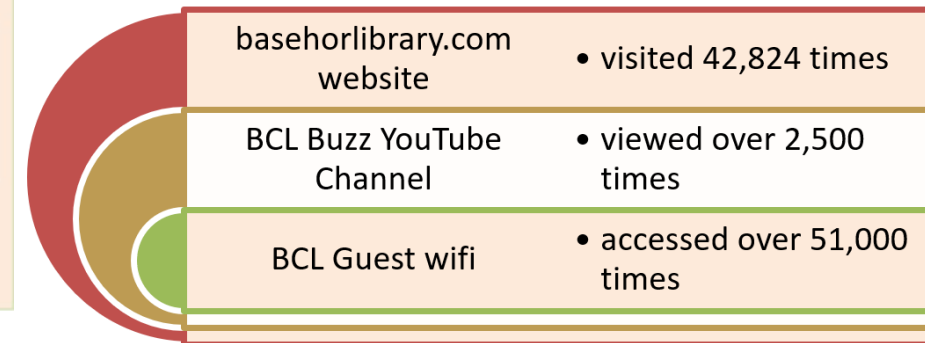

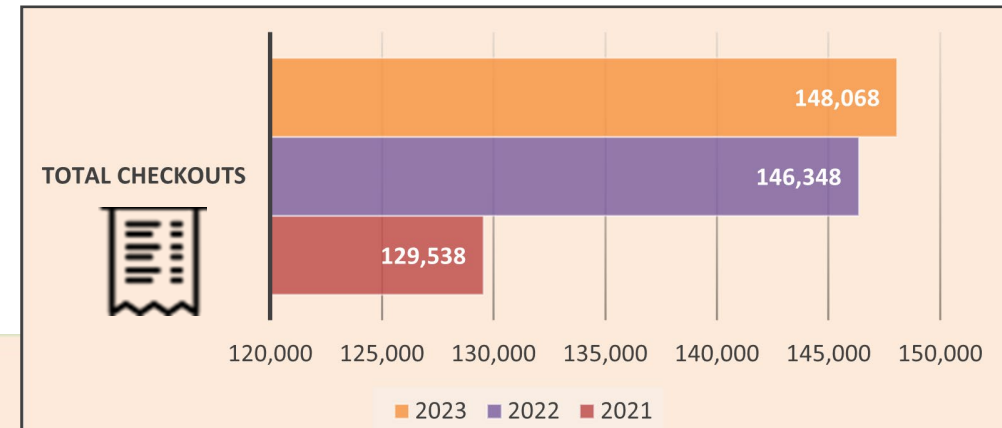

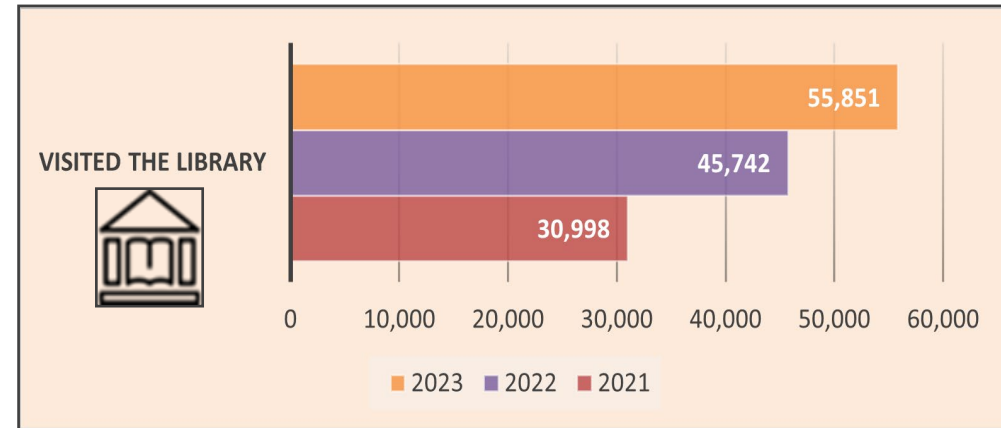

- 1,027 programs provided
- Attended by 18,048 children and adults

Adult & Family Programs

- 557 programs provided
- Attended by 6,138 adults and families

Message from the Mayor

Hi Basehor!
Can you believe that we are already a month into 2024?

As we wrap up the holiday season, I wanted to take this opportunity to thank some very important individuals who were instrumental in helping me make the holidays special for children in our community. Thanks to the combined efforts from our Basehor Police Department and the local school counselors and principals, we were able to identify 33 students whose families needed assistance to help purchase their children presents for the holidays. Through the Mayor's Charity Fund, we were able to adopt the 33 children from Unified School District 458 and were able to purchase approximately \$250 in presents for each child.

I could not be more appreciative of the generosity shown by everyone who helped with this huge undertaking, and it was such a joy to get to spread Christmas cheer to those children.

The presents were able to be purchased through the Mayor's Charity Fund, which benefits local non-profit organizations and charities, and is solely generated by revenues created through fundraising. The Mayor's Annual Golf Tournament is the primary fundraising event for the Mayor's Charity Fund.

Thanks to the fundraising efforts of the Mayor's Charity Fund, I was also able to provide financial support to the family of a young child in our community who suffers from a rare disease and requires frequent medical care, including chemotherapy.

I look forward to once again hosting the Mayor's Annual Golf Tournament on September 18, 2024, to benefit the Mayor's Charity Fund and a number of worthy causes in our community.

Pictured is City of Basehor Mayor Dick Drennon and his wife, Debbie, with the presents that were purchased for the children. The presents were wrapped and then placed in dark bags to be delivered discreetly.

Our 2023 here in Basehor was definitely monumental with everything from opening our newest city park, Tomahawk Park, in March to seeing new businesses open and begin to break ground. I am excited to welcome even more businesses in 2024.

I would also like to personally invite you to join us for an exciting groundbreaking ceremony for the 155th Street improvements. Be on the lookout for more information to be shared for that ceremony soon. We are also excited for the upcoming opening of our New City Hall Building, along with public amenities planned on the Civic Campus that will include a splash pad and new playground! More information on the opening of those facilities is coming soon!

I wish you all a Happy and healthy New Year and thank you for letting me serve as your mayor for our wonderful city!

Notices and Ordinances Published on the City's Website

Exciting news! In December, the governing body approved a resolution to start publishing notices and ordinances on the City's official website. Community members will now be able to access the information immediately on the City's website without needing access to a local printed option.

Each quarter we will also share the approved ordinances and resolutions in the current issue of the *Basehor Quarterly*.

Approved Resolutions and Ordinances since December 13, 2023:

- Ordinance 904
- Ordinance 905
- Ordinance 906
- Ordinance 907
- Resolution 2023-33
- Resolution 2023-37

To view the posted notices and ordinances, visit the City's website at www.cityofbasehor.org and select "Government... Public Documents."

Basehor Staff Highlight: Hernandez, Accounting Clerk

Thank you for the City of Basehor and what made you select this city to work at?

I have been working for the City of Basehor for two years to stay home with my son. I chose Basehor because I was looking for a place to call home. I have worked for the City of Basehor for 10 years as of February 2nd.

What do you like about your job?

I am interacting with the public. During the time I have worked for the city, I have met with so many wonderful people and reconnected with many whom I had not seen in years.

What projects are happening? What is your favorite project and why?

I am excited to see projects to look forward to, but I am most excited about additional sidewalks and trails that include the addition of sidewalks and trails that are crucially needed as alternative authorized travel in our community. The additional sidewalks and trails are a great benefit to our community.

What are you looking forward to working for the City of Basehor?

Working for the City of Basehor is looking toward the future. It is exciting to witness the amazing opportunities that are ahead of us. It is exciting to see what is next for this great community!

Crime Statistics

Stay Connected with the City of Basehor

Lookout for a postcard in your mailbox soon. The City has been working with the YMCA to determine if Basehor is a good fit for the location. Postcards will be arriving soon to get feedback from our residents and businesses. We encourage everyone to participate. For more information visit the City's website www.cityofbasehor.org.

CODES COMPONENT

Sidewalk Snow Removal

Paving for Progress

We are very excited to announce the start of "Paving for Progress!" This five-year program is designed to modernize and improve the City of Basehor's streets that are in need of repair. Basehor residents may have noticed curb repairs began in 2023 for certain areas, and additional roadway and curb improvements are scheduled to continue throughout 2024.

In the 2019 City of Basehor Citizen Satisfaction Survey, the condition of the City's streets was identified as the third highest priority for improvement. In January of 2022, the City's Governing Body authorized the Basehor Complete Street Inventory Project. This initiative called for the inventory and assessment of all Basehor streets to create a long-term maintenance and improvement plan to support current infrastructure as well as accommodate future growth.

Following the assessments of each street, a 5-year pavement management plan was then created that would not only provide for the reconstruction of poor and failed roads, but would also include maintenance for good-rated streets to preserve them and prolong their life span.

The City of Basehor's Governing Body has authorized funding for years 1 and 2, permitting \$2.4 million in road and curb improvements. These improvements began with curb repairs that were completed at the end of 2023 and will continue with street and curb repairs that will take place throughout 2024. Years 3-5 would have been funded if the 1% general citywide sales tax had been approved in June 2023. Since the vote for the 1% general citywide sales tax did not pass, the budget currently includes modest roadway improvements over a longer period of time than the proposed 5-Year Pavement Management Plan.

An online interactive map will be coming soon that will demonstrate each street's rating and also identify which streets are scheduled for improvements. More information on the interactive map and where to view it will be shared in the coming weeks.

Better Connectivity Coming Soon

At the Jan. 24, 2024 City Council meeting, the Governing Body officially signed the awards from the Kansas Department of Transportation (KDOT) to move forward with the 155th Street and MetroGreen Trail Projects.

These improvement projects will enhance overall safety for both motorists and non-motorists, adding turning lanes, sidewalks, and walking trails. Combined, the construction is estimated to cost \$13.2 million, with more than \$5 million of the costs being covered by grants that have been awarded to the City.

Construction is scheduled to begin in the upcoming months and is part of Basehor Connected, an ongoing community transportation improvement initiative. Additional information about Basehor Connected can be found by visiting www.basehorconnected.com.

City of Basehor Mayor's Second Annual Golf Tournament

In September, the City hosted the Second Annual Mayor's Golf Tournament at Falcon Lakes Golf Club. This was a fundraising event to benefit local charities and nonprofits in Basehor. Through the generosity of sponsorship and registration, we successfully raised over \$22,000!

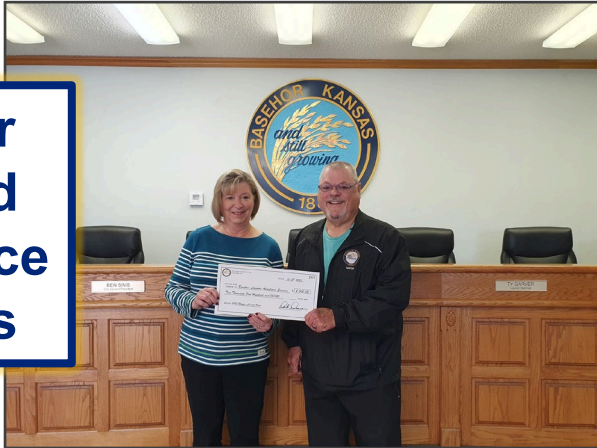

Please mark your calendars for next year's tournament: September 18, 2024 at Falcon Lakes Golf Club.

Mayor's Charity Fund

VFW

**Basehor
Linwood
Assistance
Services**

**Integrated Behavioral
Technologies**

**Christmas presents for 33 children
in need in our community.**

The Mayor's Charity Fund benefits local non-profit organizations and charities in Basehor. The revenues in the Mayor's Charity Fund are raised solely from fundraising activities.

The Mayor's Annual Golf Tournament is the primary fundraising event for the Mayor's Charity Fund.

QUESTION

**How many sworn
Police Officer
positions does the
Basehor Police
Department have?**

17

BASEHOR POLICE DEPARTMENT

The Basehor Police Department has 17 sworn positions, including the School Resource Officer, and the Department is responsible for providing 24/7/365 patrol for our growing community.

Congratulations to Officers Ontiveros and Threadgill for their heroic actions in providing CPR to an unresponsive subject while responding to an emergency call. A heart rhythm was re-established and the patient lived due to the officers' lifesaving actions.

We are proud to announce that the Police Department was approved to purchase 3 new police vehicles in 2023.

A special thanks and congratulations to Officer Bob Van Cleave for his submission for the Basehor Police Department to receive a grant to purchase automated external defibrillators (AEDs.)

The Basehor Police Department was awarded \$37,500 from the Kansas JAG Grant to place an AED in every patrol vehicle and city building.

Equipping police vehicles with an AED allows the first-arriving patrol unit at the scene of an emergency to provide immediate and potential lifesaving services.

2023 Tomahawk Park Additions

TOMAHAWK PARK PHASE II: (Scheduled to begin in 2024)

- Parking lot
- Picnic Shelter
- Restrooms
- Additional Trail Segments

Installed safety handrails around the culvert that connects the park to Landauer Street.

Installed parking stalls at Tomahawk Park located on Landauer Street.

Thank you to Creek Ridge Phase 3 Townhomes Association for donating the land to the City of Basehor to add the parking stalls!

NEW SANITARY SEWER LIFT STATION

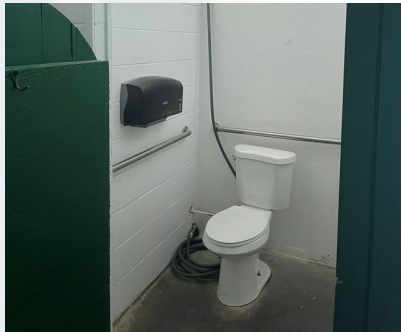

The City Council approved the design and construction of a new lift station to help alleviate the demand on other key lift stations and assist with future growth.

NEW SANITARY SEWER LIFT STATION

FIELD OF DREAMS IMPROVEMENTS

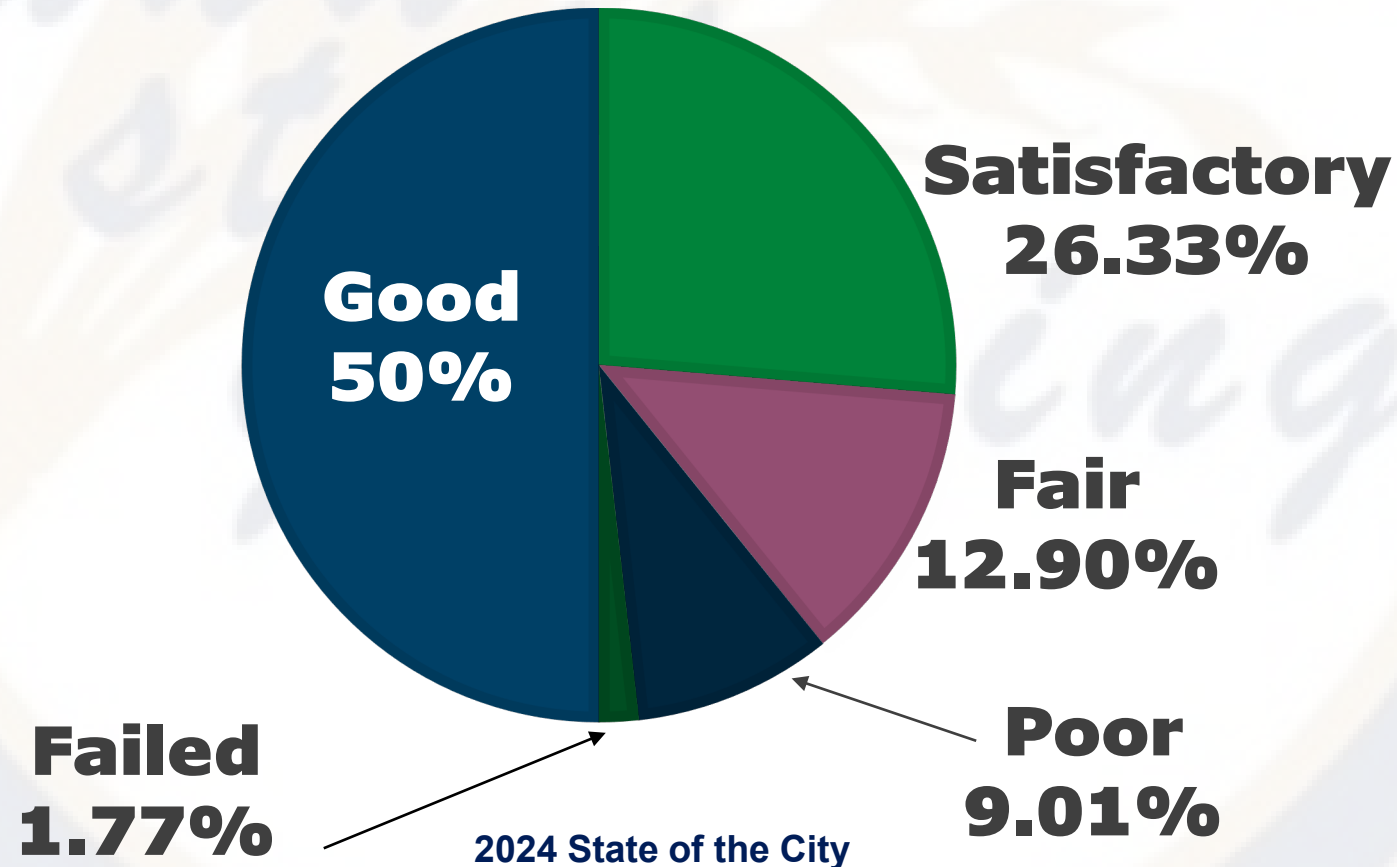

At the end of 2022, the Governing Body authorized \$500,000 of investments into the facility, including renovated restrooms, new bleachers, and backstop netting.

By the end of this upcoming 2024 season, we will have new bleachers at all the fields and backstop netting at almost all the fields.

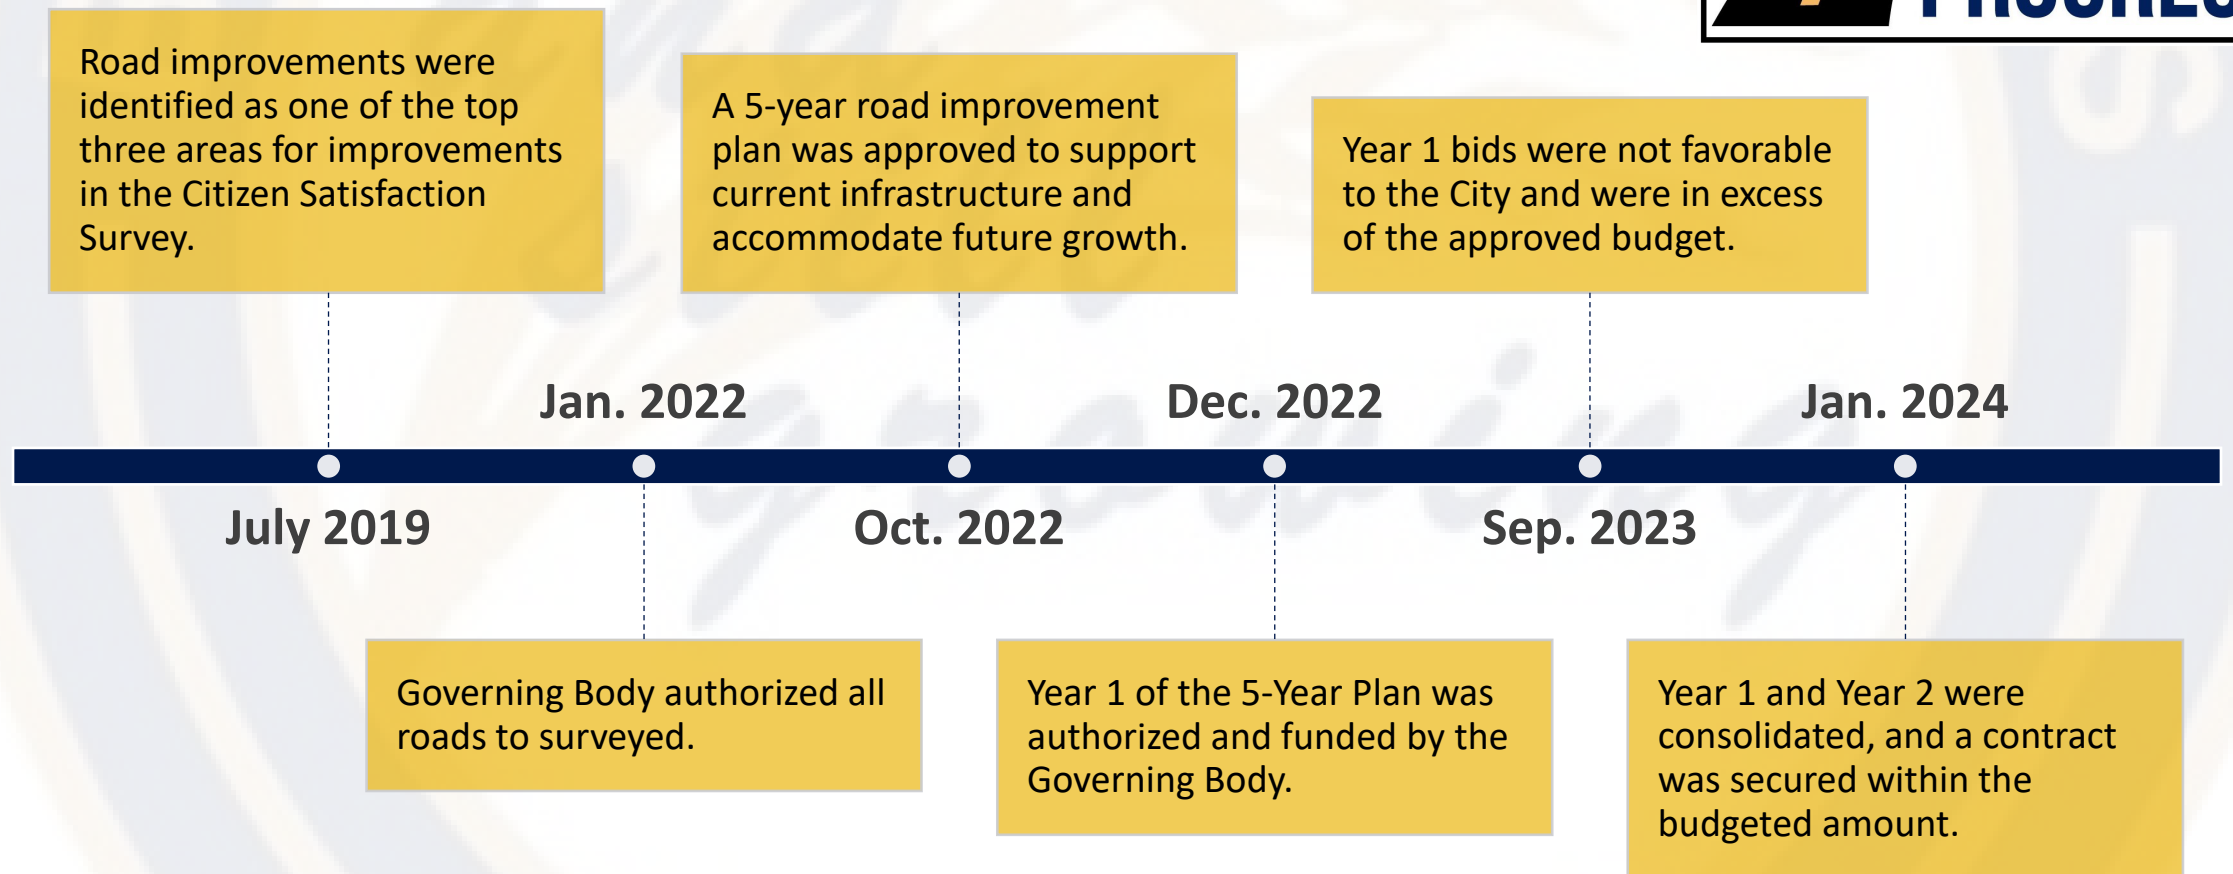

History of Road Improvements

An assessment was recently completed of the condition of every street and sidewalk in the city. A five-year plan was then created that includes a street rehabilitation plan, long-term maintenance, and an improvement plan to support current infrastructure and accommodate future growth.

Street Ratings Following the Assessment:

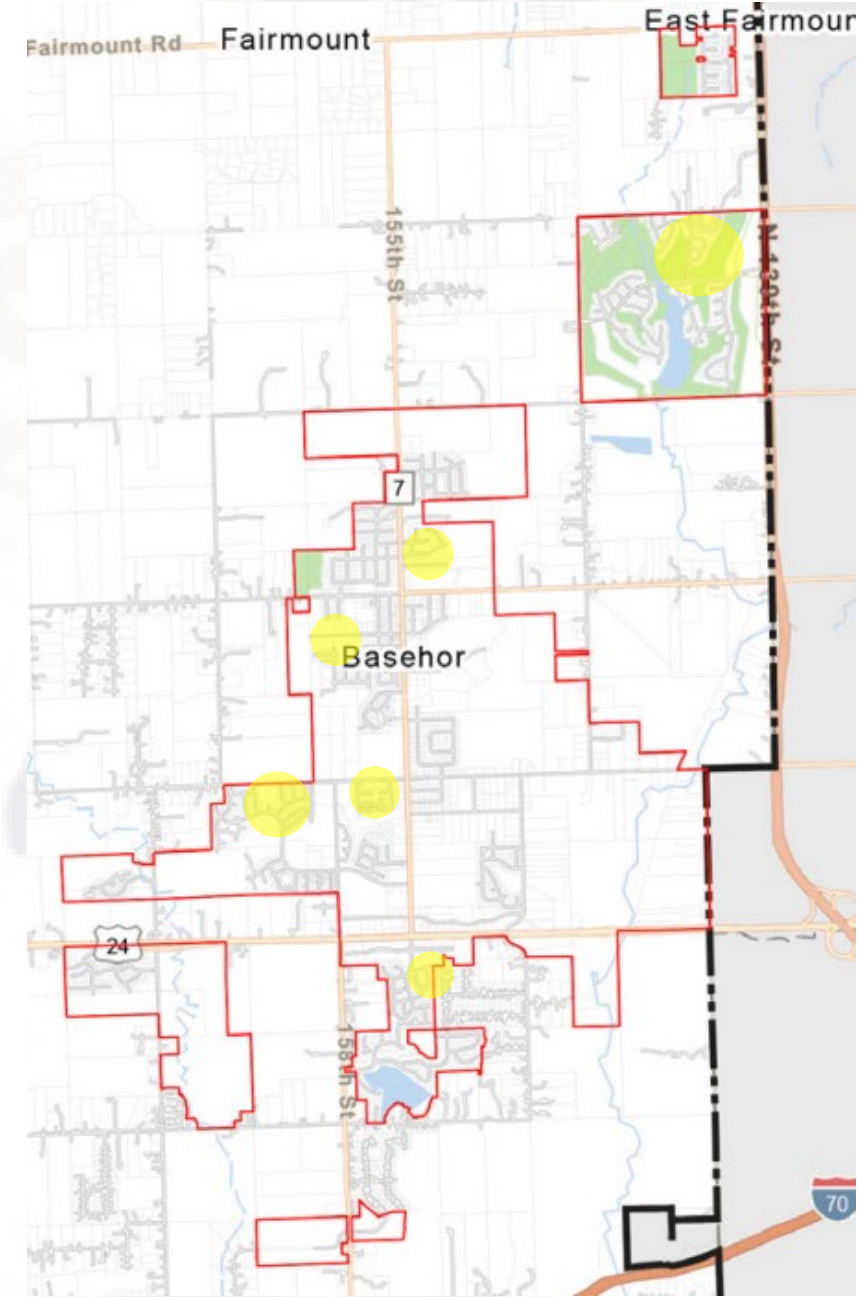

History of Road Improvements

Street Areas for Improvements – Years 1 & 2

- Creek Ridge
- Wellington Pl Dr & Pin Oaks Subdivision
- Willow to Hickory – Christie Drive
- Prairie Garden
- Pinehurst East
- Falcon Lakes
- Klamm Street – Behind Elementary School
