2025 Community Survey Results

An aerial photograph of a residential area in Basehor, Kansas. The image shows a mix of single-family homes with yards, a paved road with a crosswalk, and a parking lot with several vehicles. The sky is overcast, and the lighting suggests it is either dusk or dawn.

- Completed in early 2025 with a 95% level of confidence.
- Residents have a very positive perception of the City.
- 87% very satisfied or satisfied with the overall quality of life in Basehor (increase of 5% from 2019).
- Satisfaction with City services is much higher in Basehor than other communities, both regionally and nationally.

What's Next?

The survey included questions about not only how is Basehor doing today, but what would residents like to see in the future.

Where do my Property Taxes go?

Mill Rates by Jurisdiction - 2025

State of Kansas	1.5	1%
Leavenworth County	37.561	26%
City of Basehor	33.928	23%
Fairmount Township		
Fire	7.417	5%
USD 458 School District	59.614	41%
Basehor Community Library	5.812	4%
Total:	145.832	

**For every \$1 of property taxes paid,
\$0.23 comes to the City of Basehor for
City services.**

How are property taxes calculated on a house?

The Leavenworth County Appraiser's Office assigns an appraised value to all homes in Basehor.

Appraised Value \times Assessment Percentage = Assessed Value

Assessed Value \times Mill Rate \div 1,000 =

City Portion of Tax Bill

The Mill Rate is the only portion of the tax calculation equation that the City controls.

How are property taxes calculated on a house?

The Leavenworth County Appraiser's Office assigns an appraised value to all homes in Basehor.

$$\$405,000 \times 11.5\% = \$46,575$$

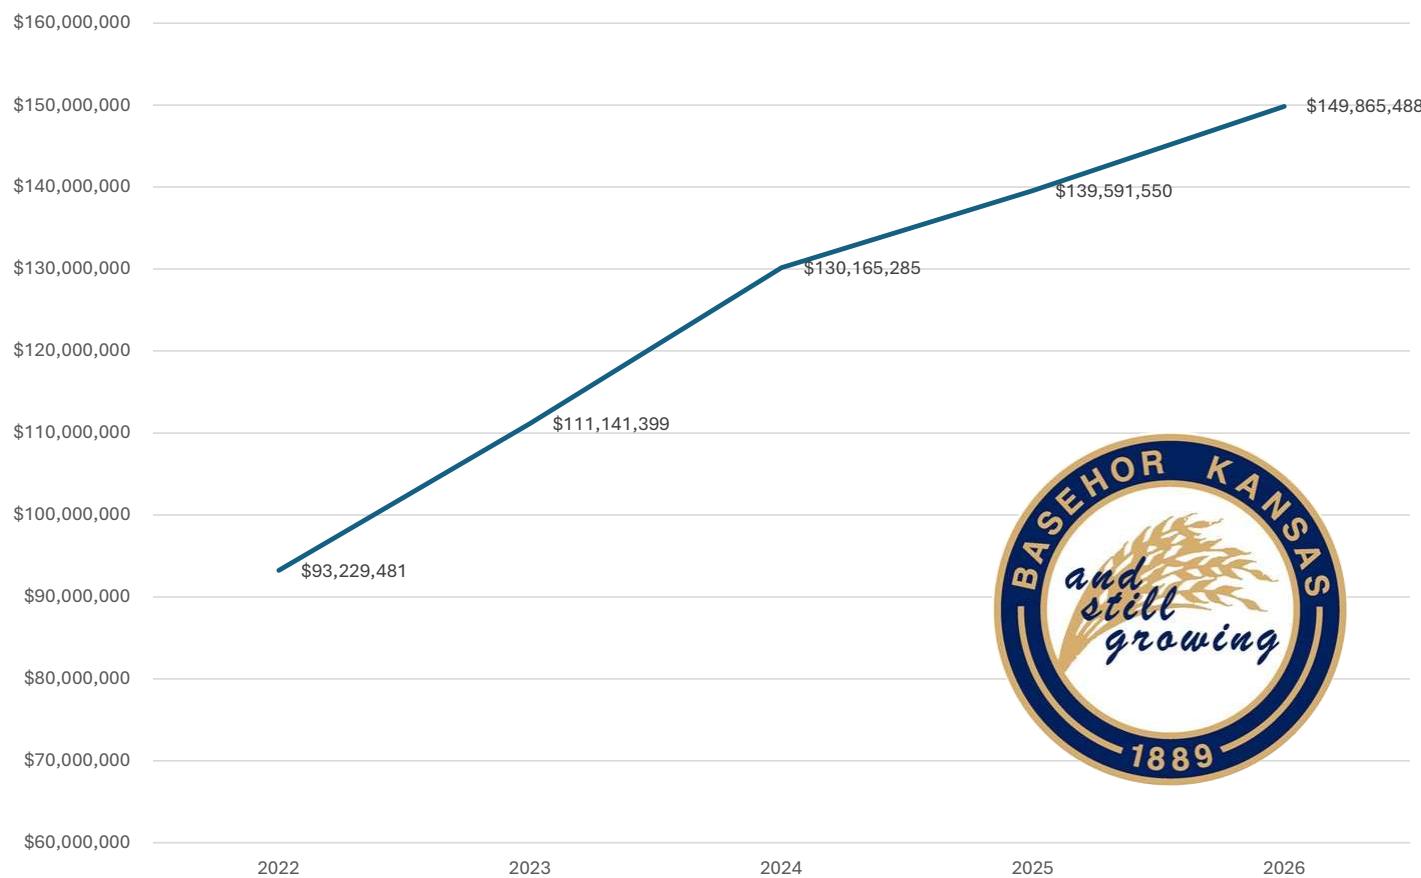

$$\$46,575 \times 33.928 \div 1,000 =$$

$$\$1,580$$

The Mill Rate is the only portion of the tax calculation equation that the City controls.

History of Property Valuations in Basehor

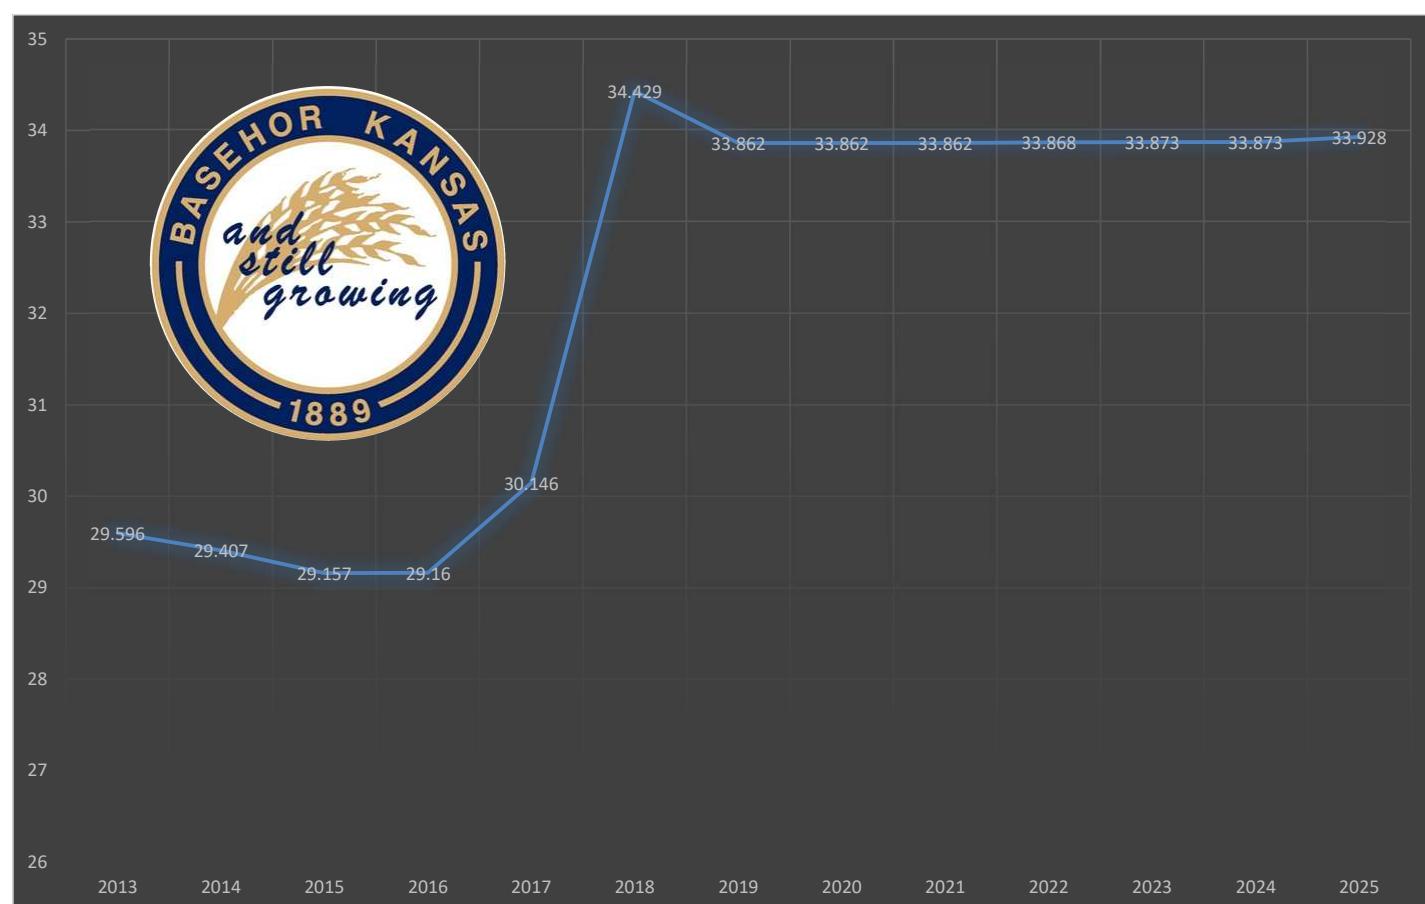

2026 Value is \$149.8 million.

Increase of 7.36% from 2025.

48% of the increase is from new construction.

52% of this increase is from appreciation of existing properties.

History of Mill Rate in Basehor

No increase in property tax rate. Residents and businesses may have paid more in taxes if property value increased. City of Basehor Governing Body supports capping property valuations for the purpose of providing property tax relief to residents.

Analysis of City Classes and Mill Rates

- There are three classes of cities in Kansas: First Class (26), Second Class (96), and Third Class (504). Basehor is a City of the Third Class.
- Basehor's mill rate in the previous budget was **33.928** and the 2026 proposed mill rate is **33.928**.
- The average city mill rate (property tax rate) of Third Class cities is 46.926 mills.
- The average city mill rate (property tax rate) of Second Class cities is 50.647 mills.
- The average city mill rate (property tax rate) of First Class cities is 36.960 mills.
- When ranked from the highest mill rate to the lowest mill rate, Basehor is 320 out of 504.

Analysis of Cities with a Similar Population (7,000-9,000)

- Regardless of class, there are 9 cities in Kansas that have a population of between 7,000 – 9,000.
- The average city mill rate (property tax rate) of those cities is **40.652 mills**.
- Basehor's mill rate in the previous budget was **33.928 mills** and the 2026 proposed mill rate is **33.928 mills**.
- When ranked from the highest mill rate to the lowest mill rate, Basehor is 8 out of 9.

No increase in tax rate but property values increased... what does that mean for Basehor property owners?

On average, the City portion of the taxes will increase...

an estimated \$3 per month
for residential properties

an estimated \$34 per month
for commercial properties

Emphasis Points for the 2026 Budget

Paving for Progress Plan for 2026-2035

Remain competitive for recruitment and retention of City staff

Prioritize maintenance of the public's investment into City facilities, trails and parks

Transition the City's fleet to a lease-equity program

Flat mill rate and continue to support 4% cap on property valuations

Municipal Maintenance and Equipment Fund (MMERF)

- On April 9, 2025, the City's Governing Body approved Ordinance No. 951 which updated the City's MMERF to include maintenance. This allows the City to better prepare for the maintenance expenses of the significant improvements provided by the City. The City allocates certain project costs to the City's MMERF.
- The projects for that are eligible are: pavement projects (includes roadways, trails, and sidewalks), park projects, and City facility projects with a value of \$20,000 or above.
- The percentage of project costs will depend on project type and size, and will be in the range of 5-15%, and are subject to the review and approval of the City Administrator with consultation with the City Attorney.
- The City's MMERF has three accounts: pavement projects, park projects, and City facility projects.
- The 2026 proposed budget includes an allocation to the MMERF for \$996,287 (\$646,287 for pavement, \$150,000 for parks, and \$200,000 for City facility projects).

The City's Current Fleet

- The City has 28 vehicles in its fleet.
- Since 2020, the City has purchased 14 vehicles. The total cost of the vehicles and equipment for these vehicles was \$921,784.50.
- The City spends on average \$75,000 per year in vehicle maintenance.
- The City has historically held vehicles beyond their useful life. The average age of the City's fleet is 8 years.

Lease Equity Fleet Program – Enterprise

- The City has researched what other cities and counties do to manage their fleet and replace their fleet.
- 24 local governments in the region use Enterprise Fleet Management for their fleet management needs.
- A 5-year fleet program, including the purchasing of vehicles, equipment, and maintenance, would cost the City \$1.6 million. This would replace all City vehicles on a 5-year rotation.
- This represents a projected savings of \$520,000 over 5 years.
- This would reduce the average age of City vehicles from 8 years to 3 years.

2026 Budget Next Steps

1

Return to the Governing Body on July 23 to discuss the importance of Economic Development. During this meeting, staff will take a deep dive into the City's sales tax performance, as well as the City's tax base.

2

Return to the Governing Body on August 13 to review the performance of each fund and get final feedback regarding the 2026 budget. The draft line-item budget will be published on the City's website on this day.

Thank you!
