

The City of Basehor will hold an election on November 4, 2025, to determine the City's desire to impose two separate sales taxes:

- 0.5% special citywide sales tax with a 10-year sunset for the purpose of improving existing roadways within City limits
- 0.5% special citywide sales tax with a 10-year sunset for the purpose of bettering parks within City limits.

All eligible, registered voters within the City limits of Basehor will be able to vote. A sunset means the sales tax would expire after 10 years and could be renewed only upon approval by a vote of the people. Below is important information regarding the two separate ballot questions.

Proposed Improvements: Roads

If approved, the 0.5% citywide special sales tax will generate an estimated \$7.1 million over 10 years and will fund:

- Paving for Progress, which would provide maintenance to all City roadways within 8 years. To see an interactive map of the Paving for Progress plan, including when your roadway would be improved if the sales tax passes and if it does not, visit the link here: bit.ly/4mntNjG
- Design and construction of traffic improvements at 155th Street and Wolf Creek Parkway, including the construction of a single lane roundabout to help with traffic flow and improve safety.
- Design and construction of a flashing beacon crosswalk at 158th Street and Garden Parkway.
- Preliminary Design and engineering of proposed improvements to 155th Street from Basehor Blvd to Leavenworth Rd as outlined in the Downtown Corridor Master Plan, including roadway improvements and walkability improvements.

Proposed Improvements: Parks

If approved, the 0.5% citywide special sales tax will generate an estimated \$7.1 million over 10 years and will fund:

- Construction of Sentinel Park within City limits with a preferred location on the south side of State Avenue
- Parkland Acquisition, including the acreage needed for Sentinel Park.
- Improvements to City Park, including renovated gazebos/shelters, improved restrooms, construction of a splash pad, improvements to the playgrounds, and safety measures such as security cameras.
- Additional security measures for all parks, including additional security cameras.
- Shade structures at the Civic Campus Splash Pad.
- Construction of 10-foot-wide trail segment at 155th Street and Leavenworth Rd north to Meyer Dr.
- Completion of a Feasibility Study for a Community Center/Pool, including programmable court space such as pickleball courts.
- Trail maintenance, including improved trail signage.

Ways to Stay Informed

The City will make weekly updates to the City's website every Friday until election day on November 4, 2025. These updates will also appear on the City's social media accounts @cityofbasehor.

If you are a member of a community group (such as an HOA), you can schedule a presentation regarding the upcoming sales tax election with a representative of the City of Basehor by emailing your request to info@cityofbasehor.org.

The interactive maps that are linked below through QR Codes are also available at Basehor City Hall (1600 N 158th Street) during standard business hours. City staff would be happy to assist any member of the public with navigating the interactive maps.

If you'd like to ask questions about the upcoming sales tax election, please call 913-724-1370 and select option 9, or visit City Hall during standard business hours.

The City will host two Open Houses before election day. The dates and times will be updated soon. The City will also complete two mailings before election day. These mailings will include important information in advance of the vote.
